

**Candidate for 2018 Western District Vice President
Brint Wahlberg**

Brint Wahlberg is from Missoula and is seeking election as Western DVP. He has been licensed for 17 years and has served on various local, state and national committees. Brint has been a past Western DVP and chair of MAR's Professional Development Committee twice. Brint was MOR's President in 2010 and 2014, and has also served as MLS chair, local director and Regional MLS Treasurer and Vice Chair.

Brint believes that the value proposition of the Realtor Association is a challenge that MAR faces today. He said that although MAR does a very good job for its members, the value proposition of MAR should be reviewed. Membership numbers are surging as are concerns again about professionalism and the associations role in enhancing professional practices. Additionally, with a 3rd party/non-Realtor influence continuing to change the game for organized real estate daily, it is a major task of state and local associations to continually examine the benefits, services and value they provide their members.

Brint believes that through his long-standing background of knowledge from the professional development committee, he can continually advance and reassess the value MAR provides to its members. By keeping the chains of communication open and a flow of information between boards and national influencers to this group and MAR leadership, Brint believes that this will greatly help MAR be at the forefront of professionalism and its continued value to its members.

Biography:

Brint has 3 kids and manages a sales team that consists of his wife, mother and sister.
