

**Candidate for 2018 President Elect
James “Jim” Anderson**

James “Jim” Anderson is from Havre, MT, and is seeking election as MAR President Elect. Jim has been in the real estate business for over 20 years and has served on the BAR Havre Chapter as President, Board Treasurer, and on the Board of Directors. Jim has served on the state associations in various capacities, including as Central DVP, RPAC Chair and PAC Chair. He has served at the national level on the Land Use committee. Jim has served as State Director for more than 8 years.

Jim feels that MAR is faced with the challenge engaging the membership and making the work of the volunteers and staff relevant to the members. He feels that the association provides exceptional value and resources to the membership, but they don’t know it. He would like to help solve this challenge by communication and building a collaborative environment by reaching out to the members (and other affiliated organizations) that have not, or have chosen not, to become involved.

Biography:

Jim states that he lives the American dream every day! He has the opportunity to help others achieve the American dream of home ownership and, as a rancher, to provide the food and fiber to make lives better. He is humbled to realize the opportunities that being a REALTOR® has provided him.
