

**Candidate for 2018 Southwestern District Vice President
Sally Hickey**

Sally Hickey is from Bozeman and is seeking re-election as Southwestern DVP. Sally has 26 years of experience in real estate and has served on several committees at the local, state and national level. Sally was the 2010 GAR President and served on the local board and chaired several committees. She has been the MAR Professional Development Chair, has served on NAR's Land Use Committee, and has served as State Director for 4 years.

Sally feels that the state water issues are our biggest challenges. She feels it is the key to future home ownership and growth in the State. She also stated that licensing laws and working with BRR and Department of Labor will continue to be something we must stay on top of. Additionally, she feels we are challenged with cultivating future leaders for MAR.

When asked how she can help MAR solve these challenges, Sally said she would like to continue to work on committees and working groups dealing with the Board of Realty Regulation because of the background work she has already invested. Additionally, she wants to determine ways to utilize the attendees of the Leadership Academy that MAR hosts to develop future leaders for MAR.

Biography:

One of Sally's favorite early Bozeman memories is watching her father create the framework of the first home he built for her family. This began her early interest in all things regarding family shelter. It led to her desire to complete a college degree in Construction Engineering Technology at Montana State University, to be an independent business owner in Montana and to create a successful real estate career. She loves assisting sellers move to their next adventure in their life and helping buyers find that perfect shelter for their family.
