

**Candidate for 2019 First Vice President
Candis Dorsch**

Candis Dorsch is from Bozeman and is seeking election as First Vice President. Candis has been licensed for 39 years, has served as State Director, and in various positions locally including Past President, Secretary, Board of Directors and various committees. At the State level, she has served on various committees including GRI, Executive, Professional Development, and Finance & Audit, as well as involved in RPAC. Additionally, Candis has served on numerous RPAC committees at the National level, including the RPAC Trustee Fundraising committee, Major Investor committee and President's Circle.

When asked what challenges she feels MAR faces today, Candis said the membership roller coaster is a concern, as well as the MLS & board consolidations and changing jurisdictions, and evolution and survival or REALTOR® associations, with the volunteer led model are just a few of them. If elected, Candis will cooperatively work with other team members to understand and embrace the future of the real estate industry in order to ensure what is best for members, as well as for the public. She believes in the need to successfully implement positive and innovative ideas that make the entire team one that is successful, innovative and vision forward.
