

**Candidate for 2020 President Elect
Candis Dorsch**

Candis Dorsch is from Bozeman and is seeking election as President Elect. Candis has been licensed for 39 years, has served as State Director, and in various positions locally including Past President, Secretary, Board of Directors and various committees. At the State level, she is currently the First Vice President of MAR, has served on various committees including GRI, Executive, Professional Development, and Finance & Audit, and is heavily involved in RPAC. Additionally, Candis has served on numerous RPAC committees at the National level, including the RPAC Trustee Fundraising committee, Major Investor committee and President's Circle.

Candis feels she would make a great MAR officer because of her deep desire to continue to reinvest her time, energy, and passion to MAR and its members. Some challenges that Candis sees are matching and enhancing membership expectations and value-added benefits, statewide MLS consolidations, evolution and survival of the REALTOR® associations, and effective methods of communication in an over-stimulated world. She believes that she can help toward solving these challenges by working with other team leaders to understand and embrace the future of the of the real estate industry in order to ensure what is best for members, as well as for the public. She believes in the need to successfully implement positive and innovative ideas that make the entire team one that is successful, innovative and vision forward.
