

**Candidate for 2020 First Vice President
Mark Dobrenski**

Mark Dobrenski is from Bozeman and is seeking election as MAR's First Vice President. Mark has been licensed for 13 years and was selected as GAR's REALTOR® of the Year in 2018. His local association experience includes Past President, First VP, President Elect and Treasurer. Mark has served as member and chair of the Association Management committee, Finance and Audit, Executive Committee, and Regional Ambassador at the State level. At the National level, Mark has served on both the Land Use and Resort & Luxury Home committees.

Mark believes that he is a good candidate for MAR officer because he works well within a team, making sure everyone contributes to it. He is good at developing a vision for the future, is a good listener and brings an open mind. Mark feels that some challenges facing MAR today are consistent development of new leadership, continued growth of MAR staff, and strengthening the value of a REALTOR® for the public. He feels that he could help resolve these challenges by helping develop teams to identify new leaders, support the MAR CEO with tools to continue to grow the MAR staff, and build a campaign to inform all markets about the value of using a REALTOR®.
