## **MAR Announces 2021 GRI Graduates** *Kalispell Area Graduates*

**Helena, MT, June 6, 2021** - The Montana Association of REALTORS® provided an all-virtual Graduate, REALTOR® Institute training conference this spring that was attended by over 300 MAR members.

The Graduate, REALTOR® Institute (GRI) Designation is the mark of a real estate professional who has made the commitment to provide a high level of professional services by securing a strong educational foundation.

New technology, laws, procedures and the increasing sophistication of buyers and sellers requires real estate practitioners to perform at an ever-increasing level of professionalism.

In Montana, a GRI graduate must complete over 80 hours of in-depth training over three years before graduating with the prestigious GRI Designation.
